RISK FACTORS

Please consider the following risk factors carefully in addition to the other information contained in this prospectus and in any other documents incorporated by reference into this prospectus from our other SEC filings.

OUR BUSINESS WILL SUFFER IF WE FAIL TO OBTAIN REGULATORY APPROVAL FOR OUR PRODUCTS.

We must conduct time-consuming, extensive and costly clinical trials, in compliance with U.S. Food and Drug Administration regulations, to show the safety and efficacy of each of our drug candidates, as well as the optimum dosage for each, before the FDA can approve a drug candidate for sale. We cannot guarantee that we will be able to obtain necessary regulatory approvals on a timely basis, if at all, for any of our products under development. Delays in receiving these approvals, failure by us or our partners to receive these approvals at all or failure to comply with existing or future regulatory requirements could have a material adverse effect on our business, financial condition and results of operations.

While limited trials of our products have to date produced favorable results, significant additional trials may be required, and we may not be able to demonstrate that our drug candidates are safe or effective. We have only introduced one commercial product, Vitravene. We cannot guarantee that any of our other product candidates will obtain required government approvals or that we can successfully commercialize any products. We expect to have ongoing discussions with the FDA and foreign regulatory agencies with respect to all of our drugs in clinical development.

OUR BUSINESS WILL SUFFER IF OUR PRODUCTS ARE NOT USED BY DOCTORS TO TREAT PATIENTS.

We cannot guarantee that any of our products in development, if approved for marketing, will be used by doctors to treat patients. We currently have one product, Vitravene, a treatment for CMV retinitis in AIDS patients, which addresses a small commercial market with significant competition. We delivered our first commercial shipment of Vitravene to our partner CIBA Vision in 1998, earning product revenue of \$560,000.

The degree of market acceptance for any of our products depends upon a number of factors, including:

- the receipt and scope of regulatory approvals,
- the establishment and demonstration in the medical and patient community of the clinical efficacy and safety of our product candidates and their potential advantages over competitive products, and
- reimbursement policies of government and third-party payors.

In addition, we cannot guarantee that physicians, patients, patient advocates, payors or the medical community in general will accept and use any products that we may develop.

OUR BUSINESS WILL SUFFER IF ANY OF OUR COLLABORATIVE PARTNERS FAIL TO DEVELOP, FUND OR SELL ANY OF OUR PRODUCTS UNDER DEVELOPMENT.

If any collaborative partner fails to develop or sell any product in which we have rights, our business may be negatively affected. While we believe that our collaborative partners will have sufficient motivation to continue their funding, development and commercialization activities, we cannot be sure that any of these collaborations will be continued or result in commercialized products. The failure of a corporate partner to continue funding any particular program could delay or stop the development or commercialization of any products resulting from such program.

Collaborative partners may be pursuing other technologies or developing other drug candidates either on their own or in collaboration with others, including our competitors, to develop treatments for the same diseases targeted by our own collaborative programs.

We also may wish to rely on additional collaborative arrangements to develop and commercialize our products in the future. However, we may not be able to negotiate acceptable collaborative arrangements in the future, and, even if successfully negotiated, the collaborative arrangements themselves may not be successful.

OUR BUSINESS COULD SUFFER IF THE RESULTS OF FURTHER CLINICAL TESTING INDICATE THAT ANY OF OUR PRODUCTS UNDER DEVELOPMENT ARE NOT SUITABLE FOR COMMERCIAL USE.

Drug discovery and development involves inherent risks, including the risk that molecular targets prove unsuccessful and the risk that compounds that demonstrate attractive activity in preclinical studies do not demonstrate similar activity in human beings or have undesirable side effects. Most of our resources are dedicated to applying molecular biology and medicinal chemistry to the discovery and development of drug candidates based upon antisense technology, a novel drug discovery tool in designing drugs that work at the genetic level to block the production of disease-causing proteins.

WE HAVE INCURRED LOSSES AND OUR BUSINESS WILL SUFFER IF WE FAIL TO ACHIEVE PROFITABILITY IN THE FUTURE.

Because of the nature of the business of drug discovery and development, our expenses have exceeded our revenues since Isis was founded in January 1989. As of September 30, 1999, our accumulated losses were approximately \$239 million. Most of the losses have resulted from costs incurred in connection with our research and development programs and from general and administrative costs associated with our growth and operations. These costs have exceeded our revenues, most of which have come from collaborative arrangements, interest income and research grants. Our current product revenues are derived solely from sales of Vitravene. This product has limited sales potential relative to most pharmaceutical products. We expect to incur additional operating losses over the next several years and we expect losses to increase as our preclinical testing and clinical trial efforts continue to expand. We cannot guarantee that we will successfully develop, receive regulatory approval for, commercialize, manufacture, market or sell any additional products, or achieve or sustain future profitability.

OUR BUSINESS WILL SUFFER IF WE FAIL TO OBTAIN TIMELY FUNDING.

Based on our current operating plan, we believe that our available cash and existing sources of revenue and credit, together with the proceeds of this offering and interest

earned thereon, will be adequate to satisfy our capital needs until at least the end of 2000. We expect that we will need substantial additional funding in the future. Our future capital requirements will depend on many factors, such as the following:

- continued scientific progress in our research, drug discovery and development programs;
- the size of these programs and progress with preclinical and clinical trials;
- the time and costs involved in obtaining regulatory approvals;
- the market acceptance of Vitravene;
- the costs involved in filing, prosecuting and enforcing patent claims;
- competing technological and market developments, including the introduction of new therapies that address our markets; and
- changes in existing collaborative relationships and our ability to establish and maintain additional collaborative arrangements.

If we are unable to raise the total amount of proceeds covered by this prospectus, we will need to raise additional funds to finance our research and development and other operating activities. If we find that we do not have enough money, additional funds will need to be raised, including through public or private financing. Additional financing may not be available, or, if available, may not be on acceptable terms. If additional funds are raised by issuing equity securities, the shares of existing stockholders will be subject to further dilution and share prices may decline. If adequate funds are not available, we may be required to cut back on one or more of our research, drug discovery or development programs or obtain funds through arrangements with collaborative partners or others. These arrangements may require us to give up rights to certain of our technologies, product candidates or products.

OUR BUSINESS WILL SUFFER IF WE CANNOT MANUFACTURE OUR PRODUCTS OR HAVE A THIRD PARTY MANUFACTURE OUR PRODUCTS AT LOW COSTS SO AS TO ENABLE US TO CHARGE COMPETITIVE PRICES TO BUYERS.

To establish additional commercial manufacturing capability on a large scale, we must improve our manufacturing processes and reduce our product costs. The manufacture of sufficient quantities of new drugs is typically a time-consuming and complex process. Pharmaceutical products based on chemically modified oligonucleotides have never been manufactured on a large commercial scale. There are a limited number of suppliers for certain capital equipment and raw materials that we use to manufacture our drugs, and some of these suppliers will need to increase their scale of production to meet our projected needs for commercial manufacturing. We may not be able to manufacture at a cost or in quantities necessary to make commercially successful products.

In 1998, we entered into an antisense oligonucleotide manufacturing collaboration with Avecia Life Science Molecules of Manchester, England, pursuant to which Avecia LSM will supply a portion of our requirements of drugs for clinical trials. As of the date of this prospectus, we have not received any supply of drugs under this arrangement, and we cannot guarantee that Avecia LSM will prove to be an acceptable alternative supplier.

OUR BUSINESS WILL SUFFER IF WE FAIL TO COMPETE EFFECTIVELY WITH OUR COMPETITORS.

Our competitors are engaged in all areas of drug discovery in the United States and other countries, are numerous, and include, among others, major pharmaceutical and chemical companies, specialized biopharmaceutical firms, universities and other research institutions. Our competitors may succeed in developing other new therapeutic drug candidates that are more effective than any drug candidates that we have been developing. These competitive developments could make our technology and products obsolete or non-competitive before we have had enough time to recover our research, development or commercialization expenses.

Many of our competitors have substantially greater financial, technical and human resources than we do. In addition, many of these competitors have significantly greater experience than we do in conducting preclinical testing and human clinical trials of new pharmaceutical products and in obtaining FDA and other regulatory approvals of products for use in health care. Accordingly, our competitors may succeed in obtaining regulatory approval for products earlier than we do. We will also compete with respect to manufacturing efficiency and marketing capabilities, areas in which we have limited or no experience.

OUR BUSINESS WILL SUFFER IF WE ARE UNABLE TO PROTECT OUR PATENTS OR OUR PROPRIETARY RIGHTS.

Our success depends to a significant degree upon our ability to develop proprietary products. However, we cannot assure you that patents will be granted on any of our patent applications in the United States or in other countries. We also cannot assure you that the scope of any of our issued patents will be sufficiently broad to offer meaningful protection. In addition, our issued patents or patents licensed to us could potentially be successfully challenged, invalidated or circumvented so that our patent rights would not create an effective competitive barrier.

INTELLECTUAL PROPERTY LITIGATION COULD HARM OUR BUSINESS.

To date, we have not experienced any patent or other intellectual property litigation. However, we cannot guarantee that we will not have to defend our intellectual property rights in the future. In the event of an intellectual property dispute, we may be forced to litigate or otherwise defend our intellectual property assets. Such disputes could involve litigation or proceedings declared by the U.S. Patent and Trademark Office or the International Trade Commission. Intellectual property litigation can be extremely expensive, and such expense, as well as the consequences should we not prevail, could seriously harm our business.

If a third party claimed an intellectual property right to technology we use, we might be forced to discontinue an important product or product line, alter our products and processes, pay license fees or cease certain activities. Although we might under those circumstances attempt to obtain a license to such intellectual property, we may not be able to do so on favorable terms, if at all.

THE LOSS OF KEY PERSONNEL, OR THE INABILITY TO ATTRACT AND RETAIN HIGHLY SKILLED PERSONNEL, COULD ADVERSELY AFFECT OUR BUSINESS.

We are dependent on the principal members of our management and scientific staff. We do not have employment agreements with any of our management. The loss of our management and key scientific employees might slow the achievement of important research and development goals. It is also critical to our success to recruit and retain qualified scientific personnel to perform research and development work. Although we believe we will be successful in attracting and retaining skilled and experienced scientific personnel, we may not be able to do so on acceptable terms, because of stiff competition for experienced scientists among many pharmaceutical and health care companies, universities and non-profit research institutions.

OUR STOCK PRICE MAY CONTINUE TO BE HIGHLY VOLATILE.

The market price of our common stock, like that of the securities of many other biopharmaceutical companies, has been and is likely to continue to be highly volatile. During the last twelve months, the market price of our common stock has ranged from \$9 to \$16. The market price can be affected by many factors, including, for example, fluctuation in our operating results, announcements of technological innovations or new drug products being developed by us or our competitors, governmental regulation, regulatory approval, developments in patent or other proprietary rights, public concern regarding the safety of our drugs and general market conditions.

PROVISIONS IN OUR CERTIFICATE OF INCORPORATION AND DELAWARE LAW MAY PREVENT STOCKHOLDERS FROM RECEIVING A PREMIUM FOR THEIR SHARES.

Our certificate of incorporation provides for classified terms for the members of the board of directors. Our certificate also includes a provision that requires at least 66 2/3% of our voting stockholders to approve a merger or certain other business transactions with, or proposed by, 15% or more of our voting stockholders, except in cases where certain directors approve the transaction or certain minimum price criteria and other procedural requirements are met.

Our certificate of incorporation also requires that any action required or permitted to be taken by our stockholders must be taken at a duly called annual or special meeting of stockholders and may not be taken by written consent. In addition, special meetings of our stockholders may be called only by the board of directors, the chairman of the board or the president, or by any holder of 10% or more of our outstanding common stock. These provisions may discourage certain types of transactions in which our stockholders might otherwise receive a premium for their shares over then current market prices, and may limit the ability of our stockholders to approve transactions that they think may be in their best interests. In addition, the board of directors has the authority to fix the rights and preferences of and issue shares of preferred stock, which may have the effect of delaying or preventing a change in control of Isis without action by the stockholders.

USE OF PROCEEDS

We cannot guarantee that we will receive any proceeds in connection with this offering.

Companies in the biopharmaceutical industry generally expend significant capital resources in product research and development. We anticipate that we will be required to raise substantial additional capital over a period of several years in order to finance our research and development programs. Additional capital may be raised through additional public or private financings, as well as collaborative relationships, borrowings and other available sources.

We intend to use the net proceeds of this offering, if any, for our research, drug discovery and development programs and for other general corporate purposes. Expenses to be funded with the offering proceeds include costs of preclinical and clinical studies, the production of compounds for such studies and capital expenditures. We have not identified precisely the amounts we plan to spend on each research, drug discovery and development program or the timing of such expenditures. Isis, however, currently plans that the proceeds, if any, will be used to support the continued development of ISIS 2302, an antisense anti-inflammatory drug that recently completed pivotal trials in Crohn's disease, and additional planned research and development efforts, including Phase III clinical trials of ISIS 3521 in non-small cell lung cancer, and other drugs in Isis' clinical programs. The remaining proceeds, if any, will be used for general corporate purposes. The amounts actually expended for each purpose may vary significantly depending upon numerous factors, including the amount and timing of the proceeds from this offering, progress of our research, drug discovery and development programs, the results of preclinical and clinical studies, the timing of regulatory approvals, technological advances, determinations as to commercial potential of our compounds and the status of competitive products. In addition, expenditures will also depend upon the establishment of collaborative research arrangements with other companies, the availability of other financing and other factors.

Other methods of financing our operations, including the acquisition of tenant improvements and capital equipment, such as mortgage or lease financing, may be used by us if available on attractive terms. In the past, Isis has made a practice of using lease financing for equipment purchases and intends to continue to do so in the future to the extent the terms of this type of financing remain commercially attractive. To the extent this type of financing is used, proceeds of this offering will be reallocated to working capital.

Based upon our current operating plan, we believe that our available cash and existing sources of revenue and credit, together with the proceeds of this offering, if any, and interest earned thereon, will be adequate to satisfy our capital needs until at least the end of 2000.

Proceeds of this offering, if any, may also be used to acquire companies or products that complement the business of Isis. We are not planning or negotiating any such transactions as of the date of this prospectus.

DILUTION

The net tangible deficit of Isis at September 30, 1999 was \$20,770,000 or approximately \$.71 per share of common stock. Net tangible deficit per share represents the amount of our tangible assets less total liabilities, divided by 29,198,000 shares of common stock.

Net tangible book value dilution per share represents the difference between the amount per share paid by purchasers of shares of common stock in the offering made hereby and the pro forma net tangible book value per share of common stock immediately after completion of the offering. After giving effect to the sale of 4,000,000 shares of common stock in this offering at an assumed offering price of \$13.00 per share and the application of the estimated net proceeds therefrom (after deducting estimated offering expenses) the pro forma net tangible book value of Isis as of September 30, 1999 would have been \$31,130,000 or \$.94 per share, an immediate increase in net tangible book value of \$1.65 per share to existing stockholders and an immediate dilution in net tangible book value of \$12.06 per share to purchasers of common stock in the offering, as illustrated in the following table:

Assumed public offering price per share.....		\$13.00
Net tangible book value per share at September 30, 1999.....	\$ (.71)	
Increase per share attributable to new investors.....	\$ 1.65	

Pro forma net tangible book value per share after offering.....		\$.94

Net tangible book value dilution per share to new investors.....		\$12.06

To the extent that outstanding options and warrants are exercised, there will be further dilution to new investors.

PLAN OF DISTRIBUTION

We plan to enter into a common stock purchase agreement with Ridgeway. From a period of 14 months following the later of the effective date of the registration statement of which this prospectus forms a part or January 1, 2000, Isis may, from time to time and at its sole discretion, present Ridgeway with draw down requests to sell up to \$5,000,000, or such other amount mutually agreed upon by the parties, worth of shares of Isis' common stock. Isis will issue and sell the shares to Ridgeway at a per share purchase price equal to the average price of Isis' common stock over a period of time less a discount from 4.5% to 5.875% subject to a minimum price as set forth in the purchase agreement. Isis may present Ridgeway with up to 12 draw down notices during the term of the purchase agreement.

Upon the receipt of a draw down request, Ridgeway may exercise a call option to purchase up to an additional \$5,000,000, or such other amount mutually agreed upon by the parties, worth of shares of Isis' common stock for a purchase price equal to the average price of the common stock over a period specified in the purchase agreement less a discount from 4.5% to 5.75% subject to a minimum price as set forth in the purchase agreement.

Isis will pay Ridgeway a fee equal to .25% of each draw down amount and each call option amount.

Pursuant to the terms of the purchase agreement, none of the shares will be sold until at least January 1, 2000.

Ridgeway and its pledgees, donees, transferees and other subsequent owners, may offer their shares at various times in one or more of the following transactions:

- in the over-the-counter market; or

- in privately negotiated transactions

at prevailing market prices at the time of sale, at prices related to those prevailing market prices, at negotiated prices or at fixed prices.

Ridgeway may also sell its shares under Rule 144 instead of under this prospectus, if Rule 144 is available for those sales.

The transactions in the shares may be effected by one or more of the following methods:

- ordinary brokerage transactions and transactions in which the broker solicits purchasers;

- purchases by a broker or dealer as principal, and the resale by that broker or dealer for its account under this prospectus, including resale to another broker or dealer;

- block trades in which the broker or dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal in order to facilitate the transaction; or

- negotiated transactions between selling stockholders and purchasers without a broker or dealer.

Ridgeway is an "underwriter" within the meaning of the Securities Act in connection with its sale of the shares purchased under the purchase agreement with Isis. Broker-dealers or other persons acting on behalf of parties that participate in the distribution of the shares may also be deemed to be underwriters. Any commissions or profits they receive on the resale of the shares may be deemed to be underwriting discounts and commissions under the Securities Act.

During the time Ridgeway is engaged in distributing shares covered by this prospectus, Ridgeway will comply with the requirements of the Securities Act and Rule 10b-5 and Regulation M under the Exchange Act. Under those rules and regulations, they:

- may not engage in any stabilization activity in connection with our securities;

- must furnish each broker which offers shares of common stock covered by this prospectus with the number of copies of this prospectus which are required by each broker; and

- may not bid for or purchase any of our securities or attempt to induce any person to purchase any of our securities other than as permitted under the Exchange Act.

In the purchase agreement with Ridgeway, we will agree to indemnify and hold harmless Ridgeway and each person who controls Ridgeway against certain liabilities, including liabilities under the Securities Act, which may be based upon, among other things, any untrue statement or alleged untrue statement of a material fact or any omission or alleged omission of a material fact contained in any prospectus or prospectus supplement, unless made or omitted in reliance upon written information provided to us by Ridgeway.

We have agreed to bear the expenses incident to the registration of the shares, other than selling discounts and commissions. These expenses are estimated to be \$85,000.

LEGAL MATTERS

The validity of the issuance of the common stock offered in this prospectus will be passed upon for Isis by Grantland E. Bryce, Vice President and General Counsel of Isis. Mr. Bryce does not beneficially own any shares of common stock as of the date of this prospectus.

ITEM 15. INDEMNIFICATION OF OFFICERS AND DIRECTORS

Under Section 145 of the Delaware General Corporation Law, Isis has broad powers to indemnify its directors and officers against liabilities they may incur in such capacities, including liabilities under the Securities Act of 1933.

Isis' certificate of incorporation and by-laws include provisions to (i) eliminate the personal liability of its directors for monetary damages resulting from breaches of their fiduciary duty to the extent permitted by Section 102(b)(7) of the General Corporation Law of Delaware and (ii) require Isis to indemnify its directors and officers to the fullest extent permitted by Section 145 of the Delaware Law, including circumstances in which indemnification is otherwise discretionary. Pursuant to Section 145 of the Delaware Law, a corporation generally has the power to indemnify its present and former directors, officers, employees and agents against expenses incurred by them in connection with any suit to which they are, or are threatened to be made, a party by reason of their serving in such positions so long as they acted in good faith and in a manner they reasonably believed to be in, or not opposed to, the best interest of the corporation, and with respect to any criminal action, they had no reasonable cause to believe their conduct was unlawful. Isis believes that these provisions are necessary to attract and retain qualified persons as directors and officers. These provisions do not eliminate the directors' duty of care, and, in appropriate circumstances, equitable remedies such as injunctive or other forms of non-monetary relief will remain available under Delaware law. In addition, each director will continue to be subject to liability for breach of the directors' duty of loyalty to Isis, for acts or omissions not in good faith or involving intentional misconduct, for knowing violations of law, for acts or omissions that the director believes to be contrary to the best interests of Isis or its stockholders, for any transaction from which the director derived an improper personal benefit, for acts or omissions involving a reckless disregard for the directors' duty to Isis or its stockholders when the director was aware or should have been aware of a risk of serious injury to Isis or its stockholders, for acts or omissions that constitute an unexcused pattern of inattention that amounts to an abdication of the director's duty to Isis or its stockholders, for improper transactions between the director and Isis and for improper distributions to stockholders and loans to directors and officers. The provision also does not affect a director's responsibilities under any other law, such as the federal securities law or state or federal environmental laws.

The Registrant has entered into indemnity agreements with each of its directors and executive officers that require Isis to indemnify such persons against expenses, judgments, fines, settlements and other amounts incurred (including expenses of a derivative action) in connection with any proceeding, whether actual or threatened, to which any such person may be made a party by reason of the fact that such person is or was a director or an executive officer of Isis or any of its affiliated enterprises, provided such person acted in good faith and in a manner such persons reasonably believed to be in, or not opposed to, the best interests of Isis and, with respect to any criminal proceeding, has no reasonable cause to believe his conduct was unlawful. The indemnification agreements also set forth procedures that will apply in the event of a claim for indemnification thereunder.

At present, there is no pending litigation or proceeding involving a director or officer of Isis as to which indemnification is being sought, nor is Isis aware of any threatened litigation that may result in claims for indemnification by any officer or director.

Isis has an insurance policy covering the officers and directors of Isis with respect to certain liabilities, including liabilities arising under the Securities Act or otherwise.

ITEM 17. UNDERTAKINGS

Insofar as indemnification for liabilities arising under the Securities Act of 1933, may be permitted to directors, officers, and controlling persons of the Registrant pursuant to the provisions described in Item 15 or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action suit, or proceeding) is asserted by such director,

officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made pursuant to this registration statement, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for the purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) of Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The undersigned Registrant undertakes that; (1) for purpose of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of the registration statement in reliance upon Rule 430A and contained in the form of prospectus filed by the Registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act shall be deemed to be part of the registration statement as of the time it was declared effective; and (2) for the purpose of determining any liability under the Securities act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Amendment No. 1 to Registration Statement to be signed on its behalf by the undersigned thereunto duly authorized, in the city of Carlsbad, County of San Diego, State of California, on the 22nd day of November, 1999.

(a) Organization, Good Standing and Power. The Company is a corporation duly incorporated, validly existing and in good standing under the laws of Delaware and has the requisite corporate power to own, lease and operate its properties and assets and to conduct its business as it is now being conducted. As of the date hereof, the Company does not have any subsidiaries (as defined in Section 3.1(g)) except as set forth in the Registration Statement and in the Company's most recent Form 10-K, including the accompanying financial statements (the "Form 10-K"), or in the Company's most recent Form 10-Q (the "Form 10-Q"), or on Schedule 3.1(a) attached hereto. The Company and each such subsidiary is duly qualified as a foreign corporation to do business and is in good standing in every jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary except for any jurisdiction in which the failure to be so qualified will not have a material adverse effect on the Company's financial condition.

(b) Authorization; Enforcement. The Company has the requisite corporate power and authority to enter into and perform this Agreement and to issue and sell the Shares in accordance with the terms hereof. The execution, delivery and performance of this Agreement by the Company and the consummation by it of the transactions contemplated hereby have been duly and validly authorized by all necessary corporate action, and, except as contemplated by Section 4.5(b), no further consent or authorization of the Company or its Board of Directors or stockholders is required. This Agreement has been duly executed and delivered by the Company. This Agreement constitutes, or shall constitute when executed and delivered, a valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation, conservatorship, receivership or similar laws relating to, or affecting generally the enforcement of, creditor's rights and remedies or by other equitable principles of general application.

(c) Capitalization. The authorized capital stock of the Company and the shares thereof issued and outstanding as of the date hereof are set forth in the Registration Statement or on Schedule 3.1(c) attached hereto. All of the outstanding shares of the Company's Common Stock have been duly and validly authorized, and are fully paid and nonassessable. Except as set forth in this Agreement or as set forth in the Registration Statement, the Commission Documents or the Commission Filings or on Schedule 3.1(c) attached hereto, as of the date hereof, no shares of

Common Stock are entitled to preemptive rights or registration rights and there are no outstanding options, warrants, scrip, rights to subscribe to, call or commitments of any character whatsoever relating to, or securities or rights convertible into, any shares of capital stock of the Company. Furthermore, except as set forth in this Agreement, the Registration Statement, the Commission Documents or the Commission Filings or on Schedule 3.1(c) attached hereto, as of the date hereof, there are no contracts, commitments, understandings, or arrangements by which the Company is or may become bound to issue additional shares of the capital stock of the Company or options, securities or rights convertible into shares of capital stock of the Company. The Company has furnished or made available to the Purchaser true and correct copies of the Company's Certificate of Incorporation as in effect on the date hereof (the "Articles"), and the Company's Bylaws as in effect on the date hereof (the "Bylaws").

(e) No Conflicts. Except as disclosed on Schedule 3.1(e) attached hereto, the execution, delivery and performance of this Agreement by the Company and the consummation by the Company of the transactions contemplated therein do not (i) violate any provision of the Company's Articles or Bylaws, (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any material agreement, mortgage, deed of trust, indenture, note, bond, license, lease agreement, instrument or obligation to which the Company is a party, (iii) create or impose a lien, charge or encumbrance on any property of the Company under any agreement or any commitment to which the Company is a party or by which the Company is bound or by which any of its respective properties or assets are bound, or (iv) result in a violation of any federal, state, local or foreign statute, rule, regulation, order, judgment or decree (including federal and state securities laws and regulations) applicable to the Company or any of its subsidiaries or by which any property or asset of the Company or any of its subsidiaries are bound or affected, except, in all cases, for such conflicts, defaults, terminations, amendments,

acceleration, cancellations and violations as would not, individually or in the aggregate, have a Material Adverse Effect. The Company is not required under federal, state or local law, rule or regulation to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency in order for it to execute, deliver or perform any of its obligations under this Agreement, or issue and sell the Shares in accordance with the terms hereof (other than any filings which may be required to be made by the Company with the Commission, or Nasdaq subsequent to the Closing, and, any registration statement which may be filed pursuant hereto); provided that, for purpose of the representation made in this sentence, the Company is assuming and relying upon the accuracy of the relevant representations and agreements of the Purchaser herein.

(f) Commission Documents, Financial Statements. The Common Stock of the Company is registered pursuant to Section 12(b) or 12(g) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and, except as disclosed in the Registration Statement, or the Commission Documents, as defined below, or the Commission Filings or on Schedule 3.1(f) attached hereto, as of the date hereof, the Company has timely filed all reports, schedules, forms, statements and other documents required to be filed by it with the Commission pursuant to the reporting requirements of the Exchange Act, including material filed pursuant to Section 13(a) or 15(d) of the Exchange Act (all of the foregoing including filings incorporated by reference therein being referred to herein as the "Commission Documents"). The Company has delivered or made available to the Purchaser true and complete copies of the Commission Documents filed with the Commission since December 31, 1998 and prior to the Closing Date. The Company has not provided to the Purchaser any information which, according to applicable law, rule or regulation, should have been disclosed publicly by the Company but which has not been so disclosed, other than with respect to the transactions contemplated by this Agreement. As of its date, the Form 10-K/A for the year ended December 31, 1998 complied in all material respects with the requirements of the Exchange Act and the rules and regulations of the Commission promulgated thereunder and other federal, state and local laws, rules and regulations applicable to it, and, as of its date, such Form 10-K/A did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the Commission Documents comply as to form in all material respects with applicable accounting requirements and the published rules and regulations of the Commission or other applicable rules and regulations with respect thereto. Such financial statements have been prepared in accordance with generally accepted accounting principles ("GAAP") applied on a consistent basis during the periods involved (except (i) as may be otherwise indicated in such financial statements or the notes thereto or (ii) in the case of unaudited interim statements, to the extent they may not include footnotes or may be condensed or summary statements), and fairly present in all material respects the financial position of the Company and its subsidiaries as of the dates thereof and the results of operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments).

(g) Subsidiaries. The Commission Documents or Schedule 3.1(g) attached hereto set forth each subsidiary of the Company as of the date hereof, showing the jurisdiction of its incorporation or organization and showing the percentage of the Company's ownership of the outstanding stock or other interests of such subsidiary. For the purposes of this Agreement, "subsidiary" shall mean any corporation or other entity of which at least a majority of the securities or other ownership interest having ordinary voting power (absolutely or contingently) for the election of directors or other persons performing similar functions are at the time owned directly or indirectly by the Company and/or any of its other subsidiaries. Except as set forth in the Commission Documents or the Commission Filings, none of such subsidiaries is a "significant subsidiary" as defined in Regulation S-X.

(h) No Material Adverse Change. Since December 31, 1998, the Company has not experienced or suffered any Material Adverse Effect.

(i) No Undisclosed Liabilities. Except as disclosed in the Commission Documents or the Commission Filings or on Schedule 3.1(i) attached hereto, neither the Company nor any of its subsidiaries has any liabilities, obligations, claims or losses (whether liquidated or unliquidated, secured or unsecured, absolute, accrued, contingent or otherwise) that would be required to be disclosed on a balance sheet of the Company or any subsidiary (including the notes thereto) in conformity with GAAP not disclosed in the Commission Documents or Commission Filings, other than those incurred in the ordinary course of the Company's or its subsidiaries respective businesses since September 30, 1999 and which, individually or in the aggregate, do not or would not have a Material Adverse Effect on the Company or its subsidiaries.

(j) No Undisclosed Events or Circumstances. No event or circumstance has occurred or exists with respect to the Company or its subsidiaries or their respective businesses, properties, prospects, operations or financial condition, which, under applicable law, rule or regulation, requires public disclosure or announcement by the Company but which has not been so publicly announced or disclosed and which, individually or in the aggregate, do not or would not have a Material Adverse Effect on the Company or its subsidiaries.

(k) Indebtedness. The Commission Filings set forth as of September 30, 1999 all outstanding secured and unsecured Indebtedness of the Company or any subsidiary, or for which the Company or any subsidiary has commitments. For the purposes of this Agreement, "Indebtedness" shall mean (a) any liabilities for borrowed money or amounts owed in excess of \$100,000 (other than trade accounts payable incurred in the ordinary course of business), (b) all guaranties, endorsements and other contingent obligations in respect of Indebtedness of others, whether or not the same are or should be reflected in the Company's balance sheet (or the notes thereto), except guaranties by endorsement of negotiable instruments for deposit or collection or similar transactions in the ordinary course of business; and (c) the present value of any lease

payments in excess of \$100,000 due under leases required to be capitalized in accordance with GAAP. Neither the Company nor any subsidiary is in default with respect to any Indebtedness.

(l) Title to Assets. Each of the Company and its subsidiaries has good and marketable title to all of their respective real and personal property reflected in the Commission Documents, free of any mortgages, pledges, charges, liens, security interests or other encumbrances, except for those indicated in the Commission Documents or the Commission Filings or on Schedule 3.1(l) attached hereto or such that could not reasonably be expected to cause a Material Adverse Effect on the Company's financial condition or operating results. All said leases of the Company and each of its subsidiaries are valid and subsisting and in full force and effect in all material respects.

(m) Actions Pending. There is no action, suit, claim, investigation or proceeding pending or, to the knowledge of the Company, threatened against the Company or any subsidiary which questions the validity of this Agreement or the transactions contemplated hereby or any action taken or to be taken pursuant hereto or thereto. Except as set forth in the Commission Documents or the Commission Filings or on Schedule 3.1(m) attached hereto, there is no action, suit, claim, investigation or proceeding pending or, to the knowledge of the Company, threatened, against or involving the Company, any subsidiary or any of their respective properties or assets and which, if adversely determined, is reasonably likely to result in a Material Adverse Effect.

(n) Compliance with Law. The business of the Company and the subsidiaries has been and is presently being conducted in accordance with all applicable federal, state and local governmental laws, rules, regulations and ordinances, except as set forth in the Commission Documents or the Commission Filings or on Schedule 3.1(n) attached hereto or such that do not cause a Material Adverse Effect. The Company shall not enter into any agreement in which the terms of such agreement would (i) restrict or impair the right to perform of the Company or any subsidiary under this Agreement or the Articles of the Company, or (ii) cause the Company to issue any Common Stock or securities convertible into Common Stock during a Draw Down Pricing Period under this Agreement, except under the terms of existing stock option plans, or employee stock purchase plans. If, the Company enters into any equity financing facility which will result in the issuance of the Company's Common Stock, excluding any equity financing facility (including securities convertible into common stock) in conjunction with a strategic corporate partnering transaction, without the Purchaser's prior written consent, which consent shall not be unreasonably withheld, the Purchaser may, at its option, terminate this Agreement or abstain from accepting a Draw Down Request under this Agreement for a period of three consecutive months.

If during such period of time any event shall occur that in the judgment of the Company or in the opinion of counsel for the Purchasers is required to be set forth in the Prospectus (as then amended or supplemented) or should be set forth therein in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary to supplement or amend the Prospectus to comply with the Securities Act or any other law, the Company will forthwith prepare and, subject to the provisions of paragraph (d) above, file with the Commission an appropriate supplement or amendment thereto, and will expeditiously furnish to the Purchaser a reasonable number of copies thereof.

If the Threshold Price is set below \$9.50 and equal to or above \$7.50, the Draw Down Amount shall be \$3,000,000 and the Draw Down Discount Price shall be reduced to 94.125% of the VWAP. If the Threshold

Price is set below \$7.50 and equal to or above \$5.00, the Draw Down Amount shall not exceed \$2,000,000 and the Draw Down discount Price shall be 94.125%.

(1) On each Settlement Date, the Company shall deliver the Shares purchased by the Purchaser to the Purchaser or to The Depository Trust Company ("DTC") on the Purchaser's behalf. The Company and the Purchaser shall cause such Shares to be credited to the DTC account designated by the Purchaser upon receipt by the Company of payment for the Draw Down into an account designated by the Company. The delivery of the shares of Common Stock into the Purchaser's DTC account in exchange for payment therefor shall be referred to herein as "Settlement". The Purchaser shall coordinate Settlement with the Company through DTC.

Section 6.2 Purchaser's Call Option.

(a) The Purchaser shall have the right to exercise multiple call options during each Draw Down Pricing Period (a "Call Option"); provided, that each Call Option shall be for a minimum of \$50,000 and all Call Options exercised during a Draw Down Pricing Period may not exceed \$5,000,000, or such other amount mutually agreed upon by the Company and the Purchaser; provided, further, that in no event shall the Purchaser exercise a Call Option for an amount which will exceed twenty percent (20%) of the Total Value on the day the applicable Call Option Notice is issued.

(b) The number of shares of Common Stock to be issued in connection each Call Option shall be based on a price of 95.50% of the VWAP, except as otherwise provided in this Section 6.2(b) (the "Call Option Discount Price") for the Common Stock on the day the Purchaser issues its Call Option Notice and shall be determined in accordance with Section 6.1(b) and shall not be less than the Threshold Price. If the Threshold Price is equal to or above \$13.50, the Call Option amount shall be \$5,000,000 and the Call Option Discount Price shall be 95.50% of the VWAP. If the Threshold Price is below \$13.50 and equal to or above \$11.50, the Call Option amount shall be \$4,000,000 and the Call Option discount Price shall be 95.50% of the VWAP. If the Threshold Price is below \$11.50 and equal to or above \$9.50, the Call Option amount shall be \$3,000,000 and the Call Option Discount Price shall be 95.50% of the VWAP. If the Threshold Price is set below \$9.50 and equal to or above \$7.50, the Call Option amount shall be \$3,000,000 and the Call Option Discount Price shall be reduced to 95.125% of the VWAP. If the Threshold Price is set below \$7.50 and equal to or above \$5.00, the Call Option amount shall each not exceed \$2,000,000 and the Call Option Discount Price shall be reduced to 94.25% of the VWAP.

(c) Each Call Option exercised shall be settled on the next Settlement Date. If the VWAP is less than \$5.00 per share on any Settlement Date, the Purchaser shall not be obligated to fund its Call Option obligation for such preceding Draw Down Pricing Period.

(d) The Threshold Price designated by the Company in its Draw Down Notice shall apply to each Call Option.

(e) For each Call Option that the Purchaser exercises pursuant to this Section, the Purchaser must issue a Call Option Notice to the Company no later than 5:00 p.m. (New York time) on the day such Call Option is exercised. If the Purchaser does not exercise a Call Option by 5:00 p.m. (New York time) on the last day of the applicable Draw Down Pricing Period, the Purchaser's Call Options with respect to that Draw Down Pricing Period shall terminate.

(f) During the period from the Effective Date and the date which is the fourteenth (14th) month anniversary of the Effective Date (the "Call Option Period"), the Purchaser will exercise Call Options for an aggregate amount equal to at least the product of (i) \$16,000,000 multiplied by (ii) the fraction, the numerator of which is the total of all Draw Down Amounts during the Call Option Period and the denominator of which is \$60,000,000.

ARTICLE VII

TERMINATION

Section 7.1 Termination by Mutual Consent. The term of this Agreement shall be the earlier of the completion of twelve Draw Down Pricing Periods or fourteen (14) months from the Effective Date. This Agreement may be terminated at any time by mutual consent of the parties.

Section 7.2 Other Termination. The Purchaser may terminate this Agreement upon (x) one (1) day's notice if the Company issues convertible debentures or enters an equity financing facility as set forth in Section 4.9 without the Purchaser's prior written consent, or (y) ten (10) days' notice if an event resulting in a Material Adverse Effect or a Material Change of Control in Ownership has occurred.

Section 7.3 Effect of Termination. In the event of termination by the Company or the Purchaser, written notice thereof shall forthwith be given to the other party and the transactions contemplated by this Agreement shall be terminated without further action by either party. If this Agreement is terminated as provided in Section 7.1 or 7.2 herein, this Agreement shall become void and of no further force and effect, except as provided in Section 9.10. Nothing in this Section 7.3 shall be deemed to release the Company or the Purchaser from any liability for any breach under this Agreement, or to impair the rights of the Company and the Purchaser to compel specific performance by the other party of its obligations under this Agreement.

ARTICLE VIII

INDEMNIFICATION

Section 8.1 General Indemnity.

(a) Indemnification by the Company. The Company will indemnify and hold harmless the Purchaser and each person, if any, who controls the Purchaser within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act from and against any losses, claims, damages, liabilities and expenses (including reasonable costs of defense and investigation and all attorney's fees) to which the Purchaser and each person, if any, who controls the Purchaser may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages, liabilities and expenses (or actions in respect thereof) arise out of or are based upon, (i) any untrue statement or alleged untrue statement of a material fact contained, or incorporated by reference, in the Registration Statement relating to Common Stock being sold to the Purchaser (including any Prospectus or any supplement or amendment thereto (the "Prospectus Supplement") which are a part of it), or any amendment or supplement to it, or (ii) the omission or alleged omission to state in that Registration Statement or any document incorporated by reference in the Registration Statement, a material fact required to be stated therein or necessary to make the statements therein not misleading.

The Company will reimburse the Purchaser and each such controlling person promptly upon demand for any legal or other costs or expenses reasonably incurred by or the controlling person in investigating, defending against, or preparing to defend against any such claim, action, suit or proceeding, except that the Company will not be liable to the extent a claim or action which results in a loss, claim, damage, liability or expense arises out of, or is based upon, an untrue statement, alleged untrue statement, omission or alleged omission, included in any Prospectus or Prospectus Supplement or any amendment or supplement to the Prospectus or Prospectus Supplement in reliance upon, and in conformity with, written information furnished by the Purchase to the Company for inclusion in the Prospectus or Prospectus Supplement.

(b) Indemnification by the Purchaser. The Purchaser will indemnify and hold harmless the Company, each of its directors and officers, and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act from and against any expenses (including reasonable costs of defense and investigation and all attorneys fees) to which the Purchaser and each person, if any, who controls the Purchaser may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages, liabilities and expenses (or actions in respect thereof) arise out of or are based upon, (i) any untrue statement or alleged untrue statement of a material fact contained in any Prospectus or Prospectus Supplement or any amendment or supplement to it or (ii) the omission or alleged omission to state

in any Prospectus or Prospectus Supplement or any amendment or supplement to it a material fact required to be stated therein or necessary to make the statements therein not misleading, to the extent, but only to the extent, the untrue statement, alleged untrue statement, omission or alleged omission was made in reliance upon, and in conformity with, written information furnished by the Purchaser to the Company for inclusion in the Prospectus or Prospectus Supplement or an amendment or supplement to it, and the Purchaser will reimburse the Company and each such director, officer or controlling person promptly upon demand for any legal or other costs or expenses reasonably incurred by the Company or the other person in investigating, defending against, or preparing to defend against any such claim, action, suit or proceeding.

Section 8.2 Indemnification Procedures. Promptly after a person receives notice of a claim or the commencement of an action for which the person intends to seek indemnification under paragraph (a) or (b) of Section 8.1, the person will notify the indemnifying party in writing of the claim or commencement of the action, suit or proceeding, but failure to notify the indemnifying party will not relieve the indemnifying party from liability under paragraph (a) or (b) of Section 8.1, except to the extent it has been materially prejudiced by the failure to give notice. The indemnifying party will be entitled to participate in the defense of any claim, action, suit or proceeding as to which indemnification is being sought, and if the indemnifying party acknowledges in writing the obligation to indemnify the party against whom the claim or action is brought, the indemnifying party may (but will not be required to) assume the defense against the claim, action, suit or proceeding with counsel satisfactory to it. After an indemnifying party notifies an indemnified party that the indemnifying party wishes to assume the defense of a claim, action, suit or proceeding the indemnifying party will not be liable for any legal or other expenses incurred by the indemnified party in connection with the defense against the claim, action, suit or proceeding except that if, in the opinion of counsel to the indemnifying party, one or more of the indemnified parties should be separately represented in connection with a claim, action, suit or proceeding the indemnifying party will pay the reasonable fees and expenses of one separate counsel for the indemnified parties. Each indemnified party, as a condition to receiving indemnification as provided in Paragraph (a) or (b) or Section 8.1, will cooperate in all reasonable respects with the indemnifying party in the defense of any action or claim as to which indemnification is sought. No indemnifying party will be liable for any settlement of any action effected without its prior written consent. No indemnifying party will, without the prior written consent of the indemnified party, effect any settlement of a pending or threatened action with respect to which an indemnified party is, or is informed that it may be, made a party and for which it would be entitled to indemnification, unless the settlement includes an unconditional release of the indemnified party from all liability and claims which are the subject matter of the pending or threatened action.

If for any reason the indemnification provided for in this Agreement is not available to, or is not sufficient to hold harmless, an indemnified party in respect of any loss or liability referred to in paragraph (a) or (b) of Section 8.1, each indemnifying party will, in lieu of

indemnifying the indemnified party, contribute to the amount paid or payable by the indemnified party, contribute to the amount paid or payable by the indemnified party as a result of the loss or liability, (i) in the proportion which is appropriate to reflect the relative benefits received by the indemnifying party on the one hand and by the indemnified party on the other from the sale of stock which is the subject of the claim, action, suit or proceeding which resulted in the loss or liability or (ii) if that allocation is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits of the sale of stock, but also the relative fault of the indemnifying party and the indemnified party with respect to the statements or omissions which are the subject of the claim, action, suit or proceeding that resulted in the loss or liability, as well as any other relevant equitable considerations.

ARTICLE IX

MISCELLANEOUS

Section 9.1 Fees and Expenses.

(a) The Company shall pay the Purchaser a fee equal to one-quarter of one percent (0.25%) of each Draw Down Amount and the amount of each Call Option, which fee shall be paid on each Settlement Date.

(b) The Company shall pay all reasonable fees and expenses related to the transactions contemplated by this Agreement; provided, that the Company shall pay, at the Closing, all reasonable attorneys fees and expenses (exclusive of disbursements and out-of-pocket expenses) incurred by the Purchaser up to \$35,000 in connection with the preparation, negotiation, execution and delivery of this Agreement. In addition, the Company shall pay all reasonable fees and expenses incurred by the Purchaser in connection with any amendments, modifications or waivers of this Agreement or incurred in connection with the enforcement of this Agreement, including, without limitation, all reasonable attorneys fees and expenses. The Company shall pay all stamp or other similar taxes and duties levied in connection with issuance of the Shares pursuant hereto.

(c) If the Company issues a Draw Down Notice and fails to deliver the Shares on the applicable Settlement Date, the Company shall pay the Purchaser as liquidated damages for such failure and not as a penalty an amount equal to five percent (5%) of the payment required to be paid by the Purchaser on such Settlement Date (i.e., the sum of the Draw Down Amount and the Call Option amount) per week until the Shares have been delivered, which shall be prorated for such periods less than seven (7) days. The liquidated damages shall be paid by the Company in cash upon demand.

Section 9.2 Specific Enforcement, Consent to Jurisdiction.

(a) The Company and the Purchaser acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent or cure breaches of the provisions of this Agreement and to enforce specifically the terms and provisions hereof or thereof, this being in addition to any other remedy to which any of them may be entitled by law or equity.

(b) Each of the Company and the Purchaser (i) hereby irrevocably submits to the jurisdiction of the United States District Court and other courts of the United States sitting in the State of Delaware for the purposes of any suit, action or proceeding arising out of or relating to this Agreement and (ii) hereby waives, and agrees not to assert in any such suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such court, that the suit, action or proceeding is brought in an inconvenient forum or that the venue of the suit, action or proceeding is improper. Each of the Company and the Purchaser consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing in this Section shall affect or limit any right to serve process in any other manner permitted by law.

Section 9.3 Entire Agreement; Amendment. This Agreement contains the entire understanding of the parties with respect to the matters covered hereby and, except as specifically set forth herein, neither the Company nor the Purchaser makes any representations, warranty, covenant or undertaking with respect to such matters. No provision of this Agreement may be waived or amended other than by a written instrument signed by the party against whom enforcement of any such amendment or waiver is sought.

Section 9.7 Successors and Assigns. The Purchaser may not assign this Agreement to any person without the prior consent of the Company, which consent will not be unreasonably withheld. This Agreement shall be binding upon and inure to the benefit of the parties and their

successors and assigns. The parties hereto may not amend this Agreement or any rights or obligations hereunder without the prior written consent of the Company and each Purchaser to be affected by the amendment. After the Closing, the Company may issue a press release or otherwise make a public statement or announcement with respect to this Agreement or the transactions contemplated hereby or the existence of this Agreement; provided, that prior to issuing any such press release, making any such public statement or announcement, the Company obtains the prior consent of the Purchaser, which consent shall not be unreasonably withheld or delayed.

Section 9.12 Severability. never been contained herein, so that such provisions would be valid, legal and enforceable to the maximum extent possible.

Section 9.13 Further Assurances. From and after the date of this Agreement, upon the request of the Purchaser or the Company, each of the Company and the Purchaser shall execute and deliver such instrument, documents and other writings as may be reasonably necessary or desirable to confirm and carry out and to effectuate fully the intent and purposes of this Agreement.
